With over 150 speaking engagements around the world each year, including sessions for NAR, several state conventions & other key industry events, Craig Grant is considered one of the most sought after technology, marketing & cybersecurity speakers around.

As his motto, "Advanced Real Estate Technology & Marketing Instructed at a Pre-K Level" states, Craig is able to take extremely complicated topics & present them in a way that the average non-technical person not only understands but is able to apply & improve their business.

In addition to being the CEO of the Real Estate Technology Institute and RETI.us, the Real Estate Industry's Home for Online Technology Education, Craig Grant is an avid sports fan & music lover who can be found watching and/or participating in events and concerts with friends.

## **AV Requirements**
